

Covid Protocols

On Campus

- ✓ Thermal Screening will be done at the venue's entrance to ensure the safety of all the participants and prevent any possibility of infection.
- ✓ Social Distancing will be followed throughout the event.
- ✓ The campus will be thoroughly sanitized, and sanitizers will be available on every floor and room entrance.
- ✓ Masks are compulsory to wear all the time.
- ✓ Participants can carry a personal alcohol-based hand sanitizer or have it on campus if they wish.

For Participants

- ✓ Participants are requested to sanitize their hands frequently.
- ✓ Participants should bring their covid vaccination certificates or covid test negative report not older than 72 hours.
- ✓ In case of any medical or resource support, hackers can report to the central control room for assistance.
